

How can you join?

Thank you so much for considering making a regular monthly donation. This is the info you'll need to set up your standing order:

Bank: Metro
Sort Code: 23-05-80
Account Name: Project Gambia
Account Number: 31722373

Please add your name as the reference so that we can ensure the system works!

Please let us know you've set up a regular donation by emailing us. We can then ensure that your donation is included in the 200 Club:

projectgambia200@gmail.com

Please be assured, we will never share your personal details with third parties and are GDPR compliant.

PROJECT GAMBIA 200 CLUB

What is Project Gambia?

For over a decade Trustees of Project Gambia have been working with the community of Gunjur in The Gambia, West Africa to help them offer quality early education to children from the age of 4. To date, we've helped to draw together a cluster of 4 Preschools offering places to 100's of children, resourced them & supported the training of the teachers and facilitated the creation of the first ever early year's curriculum in The Gambia written by the teachers.

Children start primary school when they are 7 years old in The Gambia, but we wanted to get them engaged in education earlier, knowing that the sooner a child starts learning the better their life chances will be. In a country as poor as The Gambia education is viewed as essential in creating a positive future and families are keen supporters of it. Giving a child an education is the most impactful investment you can make.

What is the Project Gambia 200 Club?

The pressures of fundraising are worldwide and we are aware that increasingly everyone is being asked to give more and more.

For over 10 years we've been working hard to support 4 Preschools and of course this needs funding. All too often, projects like this falter when trying to sustain something that has been set up due to a lack of future planning. We're working hard to secure a long term partnership and that's where you might be able to join in sustaining this work, through the 200 Club.

Whilst the community of Gunjur do all they can to help their children succeed, they do need external help to ensure that the Preschools are sustainable and continue to give very young children that essential early step up.

People keep asking us how they can help and what they can do to join us, so we are attempting to 'invite' 200 people (at least!) to join our club; people who would be willing to make a donation from £5 per month to secure the future of the Preschools.

Currently the Preschools are all full and there are many families requesting a place for their child, so we know it's a treasured resource. We want to keep it that way now and for their future.

Every penny of your donation goes straight to the charity and we love sharing updates with our donors to show you how your donation has transformed young lives.

What good can £5 a month do?

Whilst £5 a month in the UK might not go very far, in the Gambia it will do ***all*** of this:

- Pay for a child's full time attendance in nursery, plus
- Buy their uniform and shoes they need, plus
- Provide them with a snack each day, plus
- Pay for the teachers' salaries, plus
- Provide resources and learning aids, plus
- Help towards the upkeep of the building.

Now that's value for money!

If you GiftAid your donation, we can stretch this work that bit further.
